

# Download Early Childhood Development : A Multicultural Perspective

national forum of multicultural issues journal volume 7, number 1, 2010 1 sponsored by the texas chapter of the national association for multicultural education The history of early childhood care and education (ECCE) refers to the development of care and education of children from birth through eight years old throughout history. ECCE has a global scope, and caring for and educating young children has always been an integral part of human societies. PUBLICATIONS 2015. Anderson, K., & Ball, J. (in press). Foundations of Aboriginal life: Sustaining and renewing First Nations, Métis and Inuit families. Increasingly common, early childhood care plays an important role in children's development and provides a valuable support to families with young children.
