

Download Marriage : Who, When And Why

If you are married, you may have discovered why marriage is so important and experienced some of the good that comes from it. Or, maybe marriage was hard for some of you and you're no longer married. However, there is hope. But that hope starts with realizing that marriage can be more amazing than Marriage, also called matrimony or wedlock, is a socially or ritually recognised union between spouses that establishes rights and obligations between those spouses, as well as between them and any resulting biological or adopted children and affinity (in-laws and other family through marriage). "One of the reasons for the stunningly rapid increase in acceptance of same sex marriage is because heterosexuals have completely changed their notion of what marriage is between a man and a woman ...The Today's Weddings idea was born in July 1999 with the birth of the "Today's Weddings Forum" on Delphi, a free online message forum meeting place.
